

IPANZ strategy 2018 - 2022

Our Vision

A high performing public sector, respected and valued by New Zealanders

What will we do

Identify and champion new ideas about the public sector

Celebrate and promote high performance in the public sector

Uphold key public service values and principles

Promote understanding of the public sector to New Zealanders

How we will do it

Promote and empower thought leadership/be an influencer of new ideas

Provide independent and neutral space for robust debate

Build awareness and capability for high performance

Provide a credible voice for public engagement

Build our capability

- Deliver suite of events in Wellington, Auckland and Christchurch
- Deepen our relationship with like minded organisations
- Continue to build membership and sponsorship
- Provide targeted offerings to segmented market
- Increase communications through digital channels.

Our 2020 work programme

Public sector professionals thriving now and in the future

Design and implementation of state sector reform with focus on organisational culture

Stated aspiration for values and principles consistent with practical application
